**HRAIR EXHIBITS AT 'AL-MOUNTADA'**

Hrair, one of Lebanon's most creative and prolific artists, was guest of honor at a reception in the exhibition hall of the Social Welfare Institutions (Al-Mountada) in Beirut's Wardieh quarter earlier this month, where some of his recent paintings were unveiled.

The striking canvases in oil were the delight of the company, who included figures from many walks of life.

**'AVENIR' AT SUMMERLAND**

Another in the series of "Avenir" exhibitions of office furniture and equipment will be held at the Summerland Hotel complex from February 10 to 19, sources at "SOPEX", the show organizers, said. It would take place over the small swimming pool, which will be covered over for the occasion, instead of in the parking lot, the sources said.

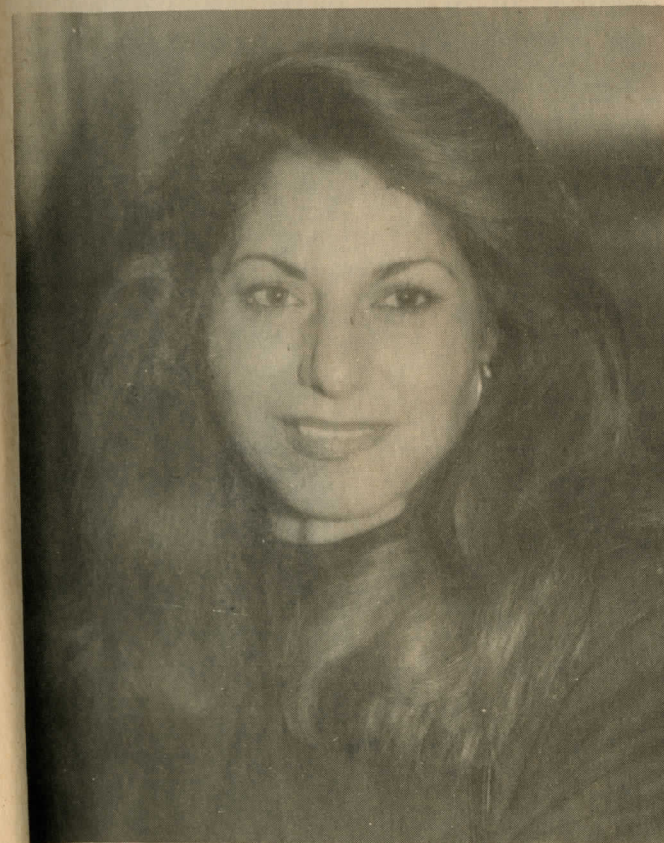

Around 70 firms were expected to take part in the exhibition, the sources said.
