Georges Bahgory's latest exhibition will be hosted at Al Masar Gallery for several weeks. Entitled *Nostalgic Dreams*, the exhibition showcases the artist's latest collection that is inspired by the current times Egypt is living through and past memories. The artist as always is hopeful and his paintings express a lot of nostalgia to the past. He pays homage to his beloved Egypt as he relives some fond memories. The artist in this exhibition celebrates the simple beauty of this country as he glorifies some personalities such as the humble bread seller on the street & he dedicates this exhibition to real Egyptian heroes.
