ADAM HENEIN MUSEUM

The **Adam Henein** Museum, which opened Saturday 18 January, 2014 in Cairo's Al-Harraniya district, is a priceless gift from the artist himself to the country.

It features the artist's "life of creativity" and includes the largest, and ever-growing, collection of **Henein's** sculptures as well as some of his paintings.

Throughout the years his body of work is the way in which the artist interweaves universal themes—motherhood, birds, boats and prayer among them—with references to Egyptian icons such as pyramids, obelisks, Pharaonic kings and hieroglyphs.
