## NOW I WON

It's **NOW** time to tell you what really goes on behind closed doors, when the spotlights are shut down, when the cameras are not rolling. I caught them red-handed, Yes! When? **NOW!** Didn't you ever wonder what all these perfect superheroes do when they are not performing their superhero deeds? Well, **NOW** I know. I caught them red-handed, red-handed I tell you. When? **NOW!** Yes, just **NOW!** I caught them indulging in their favorite vice, I know their weaknesses **NOW**. Batgirl was spreading it thicker<sup>1</sup> than you can imagine, Wonder Girl seems to believe that the best things come to those who wait<sup>2</sup>, Wonder Woman likes it moist'n easy<sup>3</sup>, Catwoman adores the Coke side of life<sup>4</sup>, and who would have thought that Supergirl is the original gourmet<sup>5</sup>? Even superheroes have bad habits, wow, **NOW** I feel so much better about my own shortcomings.
