Adam Henein :- EGYPT

Born in Cairo in 1929 . Sculptor works and lives in Egypt .

Henein is not really concerned with the mind but with something far deeper - deeper than concepts or language- in a realm that lies even deeper than the psyche and only becomes perceptible once it has actually been materialized and illuminated by art. The very nature of his earliest intuition and the vocation that came with it seems to lead him into assuming an attitude of modesty and trust in his creative venture.
