budding art culture (<https://emirateswoman.com/7-global-supermodels-proud-of-their-arab-e/>) sweeping the Kingdom of Saudi Arabia, there are several noteworthy Saudi artists who made an impact in the creative industry.

Paintings to installations displayed at various exhibitions, these artists are part of the Kingdom's urban landscape as important messages are conveyed through each piece created.

Manal AlDowayan

Capturing highly skilled women working in her highly acclaimed *I Am* series (2005) to recording accidents involving women school teachers, Manal Al Dowayan highlights unjust social customs in her pieces while also offering channels for women in the Kingdom through her workshops. Expressing her plea of change through her works of art, Manal has also participated in exhibitions globally at renowned institutions such as the Sharjah Art Foundation.

For more details about her work visit [manaldowayan.com](http://www.manaldowayan.com/) (<http://www.manaldowayan.com/>)

udi artist and photographer began her career by teaching children with autism and then ally ventured into her passion for photography. Capturing the images of the lives of illegal ants in Saudi Arabia, her work was published in a series entitled *Documenting The mmented*. After honing her craft, Huda has also started her own agency.

radah Muhtasib

-based artist Mawdah Muhtasib has always been passionate about art since an early age and in celebration of her distinguished paintings across the globe, she also created the first-ever Calligraffiti typeface that is a combination of Calligraffiti paintings and mirrored Arabic Madwash's Calligraffiti is a beautiful decorative contemporary Arabic handwritten typeface exclusively and exceptionally written from left to right. It is a celebration of a merge of two the legacy of Arabic Calligraphy and the progressiveness of graffiti Art.
